It appeared that some residents were in favour of locating such a facility in Llansantffraed as it would be more convenient, whilst those who opposed the proposal had cited the disruption of traffic and church services. He advised that the only way of obtaining formal views would be by way of a local referendum, whose cost could be reduced if held on the same day as another election.

The Clerk reported receipt of a further letter and a petition received in favour of providing a bottle bank in the village.
